OPENING AND ABOUT ESOMAR

ALINA SERBANICA, PhD

ESOMAR Representative, Romania

ESOMAR

The global
voice of the
data, research
and insights
community.

70+

years of guiding,
regulating,
promoting and
celebrating
our industry.

The only *truly* global
association for the research and
insights profession.

ESOMAR

ESOMAR is a community of **45,000 data**, research and insights professionals from **130+ countries**. **Together** we make up a group of **international experts** growing and evolving our industry.

ESOMAR

ESOMAR connects
young professionals, innovators,
clients, decision makers, suppliers,
data, research and insights professionals
from all over the world.

Search with ANA

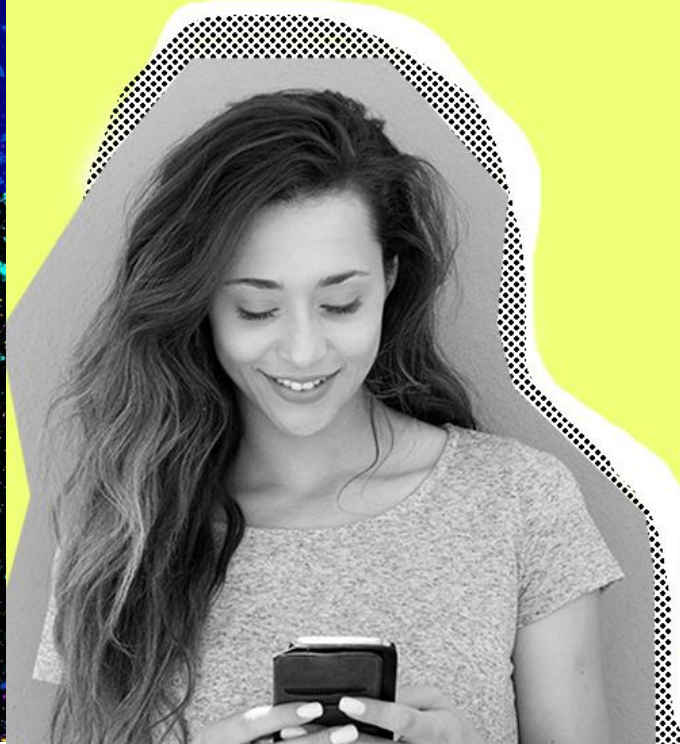

The first artificial intelligence search engine
for market research.

Discover content from 7,500 videos,
papers, books, reports, webinars spanning 70 years
